

# We Are Hiring

## Registered Nurses

Welcome to our team at our aged care facility! We are currently seeking a Registered Nurse who is passionate about providing exceptional care to our Residents. As a Registered Nurse, you will be a vital member of our team, responsible for ensuring that our Residents receive the highest level of care and support.

In this role, you will work closely with our interdisciplinary team to assess, plan, implement and evaluate the care needs of our residents. Your compassion, kindness, and understanding will be a driving force in creating a warm and inviting environment that feels like home.

Ideally, we are looking for a Registered Nurse who has a deep understanding of the aging process and can provide clinical leadership and guidance to our team. Your expertise in wound care, medication management, and chronic disease management will be essential in helping our residents maintain their health and well-being. You will have the opportunity to develop strong relationships with our residents, their families, and our staff, as you work together to create a supportive and caring community. Your positive attitude and dedication to excellence will inspire those around you, as we all strive to provide the best possible care.

At our aged care facility, we are committed to providing our residents with a home that is filled with compassion, love, and respect. If you are a Registered Nurse who is looking for a fulfilling and rewarding career, we invite you to join our team and make a difference in the lives of those we serve.

If this sounds like you please email us your cv to [admin@mhc.org.nz](mailto:admin@mhc.org.nz) or come in to McKenzie Healthcare and grab an application
